THE WAY

Everyone must choose between only 2 paths: a broad path leading to destruction and a narrow way leading to life. Jesus said He is *the Way*. His early followers were known as *the Way*. A relationship with Jesus is a lot more than a religious belief. It is an incredible journey of faith. It is a way of life. It is *"The Way!"*

(See details on pg 2)

At Damascus Weekend...

Students will understand that there is only one truth about the way to God and will evaluate their current belief about Christ. It will be made perfectly clear that no middle ground exists in relation to Christ; they must choose between two exclusive paths in life and will be challenged to decide which path they will follow. We'll also look into God's Word to see what life on "The Way" looks like. Lastly students will be propelled from the weekend with the understanding that the power and wisdom needed to follow Christ comes not from their own ability, but from the ever-present help of the Holy Spirit. Are you ready to know Christ and make Him known?

We know "The Way!" Will you join us???
